COMPETITOR INFORMATION 2019/20 THOROUGHBRED SHOWJUMPING SERIES

INFORMATION FOR THE SPORT HORSE COMPETITOR:

Congratulations on joining our Association – and best of luck with your thoroughbred sport horse.

The TSHA's main job is to liaise with the show societies to organise thoroughbred classes and to gain sponsorship from the Racing Industry to support these classes with substantial prize money.

To compete in the Thoroughbred Sport Horse Association classes – you must purchase a competition licence with the TSHA through Global Entries Online. The cost of the licence is \$55 per year (it goes on the calendar year from the date you pay for your licence so every horse gets 365 days of value for money). TSHA conditions for the show organisers is that regardless of the amount of prize money on offer – the entry fees are 10% of first prize money and capped at \$40 for the 2019/20 financial year.

The licence can be obtained by logging into www.globalentriesonline.com.au and creating an account. You then go to the 'manage horses' page – and click on the button saying "TSHA licence" and fill in the details.

No part bred thoroughbreds or horses who do not appear in the Australian Thoroughbred Stud Book will be eligible to compete in the Thoroughbred Sport Horse Association Classes.

The Licence fee is for competition only – and is not proof of ownership.

The licence and the information provided help us track the horses that are competing so that the data can be passed on to the Thoroughbred Industry.

This data will go towards the statistics for rehoming and repurposing racehorses, and is a key reason for the industry sponsorship.

The fees collected go towards the costs of running the TSHA, and any left-over funds are channelled back into prize money and rugs/ribbons/trophies.
